

Patient Bulletin Spring 2019 - Screening & Immunisation

'Screening could save your life' All available on the NHS – Free of charge.

Wales Abdominal Aortic Aneurysm (AAA)

Men aged 65 are invited for a **one-off** AAA screening test and can contact their local screening office to arrange an appointment. The aorta is the main blood vessel that supplies blood to the body. An AAA is a swelling of the aorta in your abdomen, which left undetected, may split or rupture. You will have a simple ultrasound scan of your abdomen to measure the size of your abdominal aorta. The screener will tell you your result at the time of the test. Take part in AAA screening. Attend follow-ups if you are invited. **Contact your local screening office on 01443 235161 to discuss a screening appointment.**

Breast Test Wales

Women aged 50 to 70 are invited for breast screening every **three years**. You will receive your first invitation before your 53rd birthday. You will be sent an appointment letter and leaflet when you are due for breast screening. The information will help you decide if you would like to take part. You will have a breast x-ray (mammogram) to look for signs of cancer. Take part in breast screening. Attend follow-ups if you are invited. Whatever your age, it is important to visit your GP if you notice any changes to your breasts. **Contact your local screening office if you have a query about your appointment 029 2039 7222**

Visit www.breasttestwales.wales.nhs.uk Email general.enquiries@wales.nhs.uk

Cervical Screening Wales

Women aged 25 to 49 are invited for screening every **three years**. **Women aged 50 to 64** are invited every **five years**. Cervical screening is carried out at your GP surgery or at some sexual health clinics. When you are due for screening you will be sent a letter and leaflet asking you to make an appointment. The information will help you decide if you would like to take part. Take part in cervical screening. Attend follow-ups if you are invited. Smoking can increase your risk of cervical cancer. **Contact your Surgery or screening office on: 029 2078 7920 if you have a query about an appointment.**

Visit www.cervicalscreeningwales.wales.nhs.uk Email general.enquiries@wales.nhs.uk

Bowel Screening Wales

Men and women aged 60 to 74 are invited to take part in bowel screening every **two years**. Bowel screening is carried out in your own home. When you are due for screening you will be sent a bowel screening kit. Take part in bowel screening every two years. Attend follow-ups if you are invited. **To find out more contact the Freephone helpline: 0800 294 3370 Visit www.bowelscreening.wales.nhs.uk Email general.enquiries@wales.nhs.uk**
